Ascension Lutheran Church

As we consider how the *ALC 175: Gathered in Faith, Growing in Mission* campaign will prepare our community for the next 175 years and make a place for everyone at the table at our shared campus:

Please join us as we gather the whole Ascension community for a joint worship!

"I planted, Apollos watered, but God gave the growth. So neither the one who plants nor the one who waters is anything, but only God who gives the growth. The one who plants and the one who waters have one purpose, and each will receive wages according to their own labor. For we are God's coworkers, working together; you are God's field, God's building." **-1 Corinthians 3" 6-9**

Step 6: Continue Growing in Christ!

When do you stop giving and growing in giving? You don't. Growth in generosity is a journey!

If your giving is to be blessed and joyful, it must continue to grow and expand. For each person, that growth may look different! Some are motivated by a biblical tithe and then to grow to the concept of offerings. Others seek to grow by a percent a year and never stop their giving. While still others have the challenge to find a process to be more generous even in a case where their income has declined due to layoff, death, or divorce.

In each case, once you have experienced the joy of good and generous giving, you will want to keep on growing!
